The residual amount of Euro 70 thousand refers to various payables, each of an insignificant amount.

As reported above, the Company has finalized out-of-court agreements with all creditors included in a Recovery Plan pursuant to Article 67 C.3, letter D) Royal Decree no. 267/1942, certified on December 28, 2017, but, at present, the payment terms with most of the creditors in the above list have not been met. It should also be noted that the Company has reached further agreements with the creditors themselves and with the rest to redefine and reschedule the debt, but for some positions the new payment terms, already expired on January 31, 2021, were not respected due to lack of liquidity..

With regard to the aforementioned commercial debt positions that expired on January 31, 2021, the Company has received reminders and payment orders from various creditors against whom contacts and negotiations are in progress for the purpose of a new rescheduling of the debt.

In particular, the Company represents the ongoing discussions with the creditor Poste Italiane S.p.A. whose lawyers on June 26, 2019 sent the Company a request for payment and an invitation to make contacts in order to jointly define the resolution of the dispute. It should be remembered that the credit originally amounted to Euro 4,385 thousand (before the write-off agreement included in the Restructuring Plan pursuant to Article 67 C.3, letter D) R.D. 267/1942).

The following Judicial Acts are also noted:

- on November 19, 2019, the Company received the notification relating to the issuance of an injunction by the Office of the Justice of the Peace of Lecce following a specific appeal lodged by the lawyers of the creditor De Simone Maurizio, relating to the payment of a sum equal to Euro 3,418.80 (plus legal fees and interest) of which the Company has already paid, as agreed with the creditor, the sum of Euro 2,279.20. On February 17, 2021, the Company received the notification relating to an injunction limited to Euro 2,080.32 plus interest.
- on January 16, 2020, received notification relating to the issue of a provisionally enforceable injunction with slavish precept by the Court of Forlì following a specific appeal presented by the creditor's lawyer Studio Serafini Srl, relating to the payment of a sum equal to Euro 30,000.00 (plus legal fees and interest quantified in Euro 2,307.00); due to the "covid 19-coronavirus" epidemic, the foreclosure requested was not carried out, therefore on 18 September 18, 2020, the company was notified of a writ of precept in renewal for a total of Euro 32,307.00 plus interest which was followed on November 27, 2020, the notification of the attachment deed with third parties pursuant to art. 543 c.p.c.;
- on January 31, 2020, the company received notification relating to the issue of a provisionally enforceable injunction with slavish precept by the Forlì Justice of the Peace following a specific appeal presented by the creditor's lawyer Il Solco Scarl, relating to the payment of a sum equal to Euro 825.00 (plus legal fees and interest quantified in Euro 1,146.89) which was followed on November 19, 2020, by the notification of the injunction being renewed;
- on February 4, 2020, it received the notification relating to the issuance of an injunction by the Justice of the Peace of Monza following a specific appeal presented by the creditor's lawyer Esprinet SpA, relating to the payment of a sum equal to Euro 2,737.42 (plus legal fees and interest quantified in Euro 1,191.44); subsequently, on June 23, 2020, an injunction was served for a total of Euro 4,652.31 plus interest;
- on May 21, 2020, it received notification relating to the issue of an injunction by the ordinary Court of Milan following a specific appeal presented by the creditor's lawyer Studio of notaries Ruben Israel and Elena Terrenghi, relating to the payment of an equal sum to Euro 7,213.94 (plus legal fees and interest); the aforementioned decree, in the absence of opposition within the terms, was declared enforceable by decree of the Court of Milan of August 28, 2020, and published on September 3, 2020, therefore, on September 8, 2020, the company was notified of a writ of precept for a total of Euro 11,329.34, followed on December 9, 2020, by the notification of a further precept for a total of Euro 11,489.38;
- on July 09, 2020, it received notification relating to the issue of a provisionally enforceable injunction and contextual notification of a writ of order by the Court of Milan following a specific appeal presented by the creditor's lawyer Computershare SpA, relating to the payment of a sum equal to Euro 18,345.53

(plus legal fees and interest quantified in Euro 2,865.79) which was followed on January 20, 2021, by the notification of the injunction being renewed for the total sum of Euro 21,995.46;

- on July 14, 2020, he received the notification relating to the issuance of an injunction by the Court of Rome following a specific appeal presented by the Attorney General of the State in the interest of Consip S.p.A. against Olidata S.p.A. as principal debtor and Finworld S.p.A. in bankruptcy as jointly and severally debtor, relating to the payment of a sum equal to Euro 349,252.07 (plus interest quantified in Euro 3,534.15 and legal costs) as compensation for the failure to fulfill the obligations deriving from the Agreement for the supply of Desktop Personal Computers with reduced environmental impact and related services for Public Administrations ed. 13 - lot no. 2;

- on September 18, 2020, it received the notification relating to the issuance of a provisionally enforceable injunction by the Forli Justice of the Peace and contextual notification of the injunction following a specific appeal presented by the creditor's lawyer S.I.C. S.r.l., relating to the payment of a sum equal to Euro 976.00 (plus legal fees and interest quantified in Euro 581.96); on December 16, 2020, this was followed by the notification of the attachment deed with third parties for a total of Euro 2,336.94; the company has recently reached an agreement with the creditor and has paid the balance and write-off of the position.

As regards the tax position, this payable mainly corresponds to the residual VAT as of December 31, 2018, expired on January 16, 2019.

In this regard, it should be noted that one of the Company's suppliers whose credit, at the end of 2017, was the subject of an excerpt, following the filing of the Restructuring Plan prepared and certified pursuant to art. 67 L.F., exercised the faculty referred to in art. 26 of Presidential Decree 633/72 for the recovery of VAT originally applied by way of compensation on the invoices covered by the aforementioned excerpt, thus generating a VAT payable for the Company.

With regard to the pension position, towards employees and towards Directors, the Company represents the suspension of these payments due to the lack of liquidity.

In particular, it should be noted that the Company has received:

- on November 27, 2019, the notification relating to the issuance of an injunction by the Civil Court of Forli - Single Labor Judge - following a specific appeal presented by the lawyer of an employee, who had resigned for just cause, relating to the payment of a gross sum of Euro 17,860.60 and the net amount of Euro 14,271.75 (plus legal fees and interest). 4. Further information.

It should be noted that, due to the failure to complete the capital increase (resolved by the Extraordinary Shareholders' Meeting of May 2, 2019, for the maximum amount of euro 30,000,000.00 to be placed, subscribed, and paid within the deadline of May 31, 2019), attributable to the failure to reach - within the terms - of the underlying agreements with certain counterparties, the Company has not overcome critical financial problems, forcing it to fail to comply, in the original terms, with certain payments underlying

the Plan pursuant to art. 67 LF signed on December 28, 2017, as described above. Therefore, contacts and negotiations are underway with creditors for the purpose of rescheduling the debt, some of which have already been agreed.

In consideration of the failure to complete the aforementioned capital increase, the Company proceeded to partially amend the Business Plan which had been approved by the Board of Directors on 20 December 20, 2018, and this new Plan was approved on August 23, 2019.

In July and August 2019, the Company - also in order to express the first concrete results with respect to the objectives highlighted in the new Business Plan - therefore proceeded to sign two Letters of Intent ("Letters Of Intent" or also "LOI") with two important industrial players on the basis of which these two companies have expressed, together with Olidata, the common will to proceed with an aggregation into a single Group in line with the new Business Plan.

Pending the signing of the aforementioned Letters of Intent, which contemplate conditions precedent linked to the preliminary raising of new capital aimed at strengthening the equity of Olidata and of the two signatories of the LOIs, Olidata, in collaboration with these partners, has prepared the aforementioned new Business Plan, which will act as a vehicle to find the aforementioned potential financial resources with which the conditions precedent (which provide for the total discharge of Olidata's debt) connected to the aforementioned LOIs will be implemented and therefore, again according to the intentions, the aggregation into a single Group will be carried out.

It should also be noted that the Extraordinary Shareholders' Meeting of January 10, 2020, resolved to attribute, pursuant to art. 2443 of the Italian Civil Code, to the Board of Directors, the right to increase the Share Capital against payment in one or more times, in a divisible way, partly in cash and partly with the contribution of goods in kind, within a period of three years from the date of resolution, through the issue of new ordinary shares with the same characteristics as those in circulation and with regular enjoyment to be offered in option to those entitled to the part in cash, and with the exclusion of the options right, pursuant to art. 2441, paragraphs 4, 5 and 6, of the Civil Code, for the part in kind, for a maximum amount, including any share premium, of Euro 7 million, with every broader option for the Board of Directors to establish, from time to time, in compliance with the above limits, the number and issue price of the new shares, including any share premium, as well as the methods, terms, times and conditions for carrying out the capital increase.

The Assembly consequently resolved to amend Article 4 of the Articles of Association to provide for and introduce the possibility of adding assets in kind to the share capital.

The planned capital increase must be understood as instrumental and preparatory and therefore connected to the Project and the related Business Plan adopted by the Company.

On May 6, 2020, the Board of Directors of Olidata S.p.A. was called to resolve certain expressions of interest received in relation to the subscription of the capital increase of Euro 7,000,000, and the Board itself approved the issue of 22,000,000 new shares at the price of € 0.10, of which 17,000,000 in favor of a Lazio entrepreneurial group, attributable to Dr. Antonio Di Murro, whose binding offer provided for the commitment to pay by May 15, 2020.

On June 30, 2020, the Board of Directors met, which, taking note of the failure to complete the binding offer by Mr. Antonio Di Murro, decided to implement all actions to protect the Company and its shareholders..
