PROFESSIONAL EXPERIENCE

2018- Present AFP UNO S.A., Autonomous Alternate Director. Pension fund administrator company that recently enter the market with initial capital of \$4.800 million Chilean pesos. After the awarding of the tender promoted by the Superintendency of Pensions, those who enter for the first time as affiliates to the pension system as of October 1 of this year will have to be incorporated to AFP Uno and remain two years, until September 30 of 2021.

2018 - Present [BLOCKCHAIN RESEARCH INSTITUTE](#) founded by Don and Alex Tapscott, Representative for Hispanic America. Promote the Institute and the dialogue about blockchain between these countries. Incorporate new public and private member institutions into the Institute. Leader project of the [Blockchain Center of Excellence Global network](#) in joint venture with [WISEKey](#).

2019- Present 30% CLUB CHILEAN CHAPTER, Chair. (Chapter in pre launch stage)

With chapters in thirteen countries/ regions, the [30% Club](#) we are a group of Chairs and CEOs that believes in diversity as a driver of business growth. The 30% Club campaign was set up by Dame Helena Morrissey in 2010 with the aim of achieving a minimum of 30% female representation on FTSE 100 boards. That target was reached in September 2018 and good progress has been made. But, there is still much more work to do to achieve better gender balance at the top of businesses. Now under Brenda Trenowden's leadership, our energies are concentrated on supporting more women into senior management roles and taking action to reach our 2020 campaign goals approaching this issue on a global scale.
