**OLIDATA: SIGNED LETTER OF INTENTS WITH THE COMPANY ALIAS GROUP S.R.L.**

We inform you that on November 7th Olidata S.p.A. as part of its relaunch project, has signed a Letter of Intent with the company Alias Group Srl, [www.aliasgroup.it](http://www.aliasgroup.it), which provides IT consultancy services and supports its customers in improving business processes by adopting of innovative IT technologies with particular reference to Cloud solutions.

Alias Group founded in 2004, over time has developed the following projects among others:

**DocEasy**, concerning the processes of electronic invoicing and dematerialization.

**PecManager**, for the management of certified electronic mail flows and their storage in accordance with the law.

**KUBIK**, to provide a business management solution in the cloud.

Alias Group S.r.l. uses a network of 350 dealers and manages over 4,500 customers.

The letter of intent is aimed at structuring a further industrial aggregation transaction with the Olidata Group, subject to the occurrence of certain conditions. It is recalled that Olidata has already completed the purchase of the entire capital of the Italdata Spa company, active in the Internet of Things (IoT), in the design of Smart Cities and in e-learning and has completed a commercial agreement with the German company Medion AG, leader in the marketing of consumer electronics, listed on the Frankfurt stock exchange. Thanks to this partnership, the first models of Personal Computers, NoteBooks, and Notebook convertibles to the OlidataIT brand were presented during the semester.
